

Basket Brigade

COMMONLY ASKED QUESTIONS

1. WHEN DO I SHOP FOR MY ADOPTED FAMILY?

You can shop when it is convenient for you! Make sure to complete your shopping early to give yourself enough time for any last minute things you may want to add to your basket.

2. WHAT DO I PURCHASE FOR MY ADOPTED FAMILY?

Use the information furnished on your "Basket Brigade Application" to purchase those items that best suit the size and ages of your adopted family. Remember that our objective is to ensure a Thanksgiving meal for each family. Make sure to purchase all the items to make a Thanksgiving meal (you can use the suggested list to help you). Any additional items you purchase (personal hygiene items, paper products, daily necessities) will be a wonderful gift, making this Thanksgiving truly special.

3. HOW DO I KNOW WHERE TO DELIVER MY BASKET?

Your family provided an address & phone number on the "Basket Brigade Application." Please call your family — even if they are picking up their basket — a week before November 18 to finalize plans for delivery! Be sure to find where your adopted family lives as some addresses are hard to find. You don't want to be trying to locate the address on delivery day.

4. WHEN AND WHERE DO WE MEET ON DELIVERY DAY?

*Please check-in your basket to the **Destiny – Family of Faith Church** at 445 N. Riley St., Kendallville, between 11 am and 1 pm, on Sunday, November 18, 2018. At that time you will register and decorate your basket (cellophane & ribbon will be provided).*

You do not need to bring your basket into the church if you don't want to decorate, but please check in as it assures us that each family's basket has indeed been made and will be delivered.

If your family is picking up their basket—OR—you need us to deliver it, please make sure the basket is at the church BEFORE 10 am.

You may make arrangements with your family to deliver your basket at a different time/day if necessary.

6. WHAT HAPPENS IF MY ADOPTED FAMILY ISN'T HOME?

We will do everything in our power to deliver our baskets. It is our intention to do all we can to help those in need. We do, however, expect that our recipients do their part by being home when we make our delivery. To insure nothing goes to waste, any undelivered baskets will be donated to area food pantries.
